

Recessed Light Series

▶ **High Brightness** ▶ **High Efficacy** ▶ **Space Age Thermal Technology**

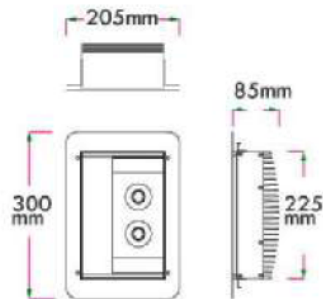

- Integration Structure Design on Heat Dissipation
- Long Lifespan
- No hazardous materials for environment protection
- Energy saved Efficiently
- Will work almost everywhere in $\pm 40^{\circ}\text{C}$ ambient temperature

⊖ SPECIFICATIONS

• R02 Series		t25	t50	t75	t100
• Power Consumption		25W	50W	75W	100W
• Luminaire	○ True White (Max.)	1600	3200	4800	6400
	● Warm White (Max.)	1200	2400	3600	4800
• Working Voltage		100~240V AC			
• Beam Angle		24° , 45° , 130°			
• Lighting Direction		Single Lighting Direction			
• CRI		70			
• Operating Temp		-40°C ~ +40°C			

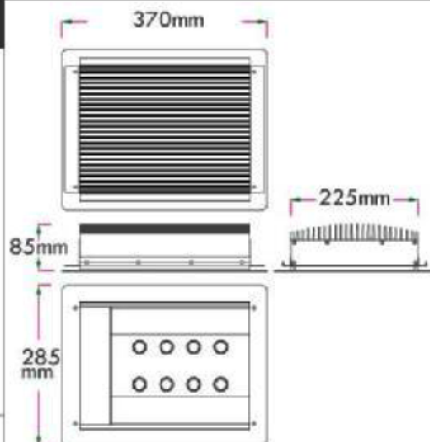

• R02 t25

Weight : 77.5oz. (2KG)

• R02 t50 / t75 / t100

Weight : 155 oz. (4 KG)
